

THE POWER OF
50

**Oxford Partial Knee
Symposium 2026**

MUNICH, GERMANY
3rd - 4th November 2026

Please join us for

Oxford Partial Knee Symposium 2026

MUNICH, GERMANY

3rd - 4th November 2026

A milestone event marking **50 years of the Oxford Partial Knee** and the impact it has had on patient care worldwide.

This event brings together experienced Oxford users and surgeons actively evolving their practice, united by a shared goal: **advancing unicompartmental knee replacement to deliver meaningful benefits for patients.**

The Power of 50 is both a celebration of progress and an opportunity to look ahead. Together, we will reflect on five decades of learning while exploring how collaboration, innovation, and shared experience can shape the future of partial knees.

Why participate?

- Join thought **provoking discussions** grounded in real world clinical experience
- **Exchange perspectives** with experts and peers driving change in everyday practice
- Participate in **interactive sessions** designed to encourage dialogue, debate, and shared insight
- Be part of a **collaborative environment** where experience, curiosity, and innovation meet

Event Details

Dates: Tuesday 3rd and Wednesday 4th November 2026

Location: Munich, Germany

We look forward to welcoming you to The Power of 50—an opportunity to come together, reflect, and collectively shape what the next chapter of partial knee surgery can deliver for patients.
